AGREEMENT IN PRINCIPLE

The delegates will recommend that their members accept the agreement in principle. In the photo on the right, clockwise from left, are: Claude Bosset, Union Advisor, Lucie Longchamps and Chantal Racicot, members of the bargaining committee.

An agreement in principle has been reached between your national FSSS-CSN HCP bargaining committee representatives and the ministère de la Famille during a session held on September 30th in Montréal.

“We’re happy with this outcome, which comes after the two years of negotiations and pressure it took for the minister to conclude

an agreement. We’re particularly proud of having held out that little bit longer,” said Lucie Longchamps, member of the HCP bargaining committee and representative of the HCP sector for the FSSS-CSN.

The agreement was presented to all union delegates representing the province’s 3200 FSSS-CSN RSGs. They met in Québec during a federal sectoral bargaining council

on October 1st and 2nd. The delegates decided unanimously to recommend the agreement to their members during an upcoming round of general assemblies in each region. You will be receiving a notice of meeting from your union soon.
