GROUP INSURANCE PLAN - FSSS (CSN) RSGE

HEALTH INSURANCE (compulsory participation)

Participation in one of the Health Insurance (Health 1, 2 or 3) is compulsory, unless entitled to an exemption. To be exempted from coverage, eligible employees must prove that they and their dependents are insured under another group insurance plan with a similar drug coverage.

Coverage Options and Statuses

Participants may choose a coverage option (Health 1, Health 2 or Health 3) and a coverage status (Individual, Single-Parent or Family) for their Health Insurance.

Participants must maintain their participation to the chosen option (Health 2 or Health 3) for at least **36 months** before they can choose a less generous coverage option, unless an event stated in the contract occurs (a birth or a separation, for example).

Specifications Regarding Drug Reimbursement: If an insured chooses to purchase an eligible innovative drug instead of any existing generic equivalent, the amount of reimbursement will be determined in accordance with its lowest cost generic equivalent. The amount that is included in the annual out-of-pocket is the one the insured would have paid should they have bought this lowest cost generic equivalent. However, it is possible to obtain a reimbursement based on the cost of the innovative drug that cannot be substituted for medical reasons by submitting the appropriate form duly completed by the attending physician, provided the request is approved by SSQ. **To be eligible, drugs must be available only by medical prescription.**

GENERAL INFORMATION

Eligibility for insurance

Anyone who holds certification from the *Ministère de la Famille et des Aînés* as a person responsible for a home childcare service with three subsidized children or more is eligible for insurance provided this certification is permanent. They become eligible three months after the childcare service opens. On the date of eligibility, the RSGE is granted all benefits except the Short Term Disability Insurance and Long Term Disability Insurance benefits; these benefits are granted 3 months after the date of eligibility.

The ineligible person must obtain proof of their situation (example: renumeration slip) and submit it to SSQ to be exempted from participating in the insurance.

Payment of premiums

Preauthorized direct debit payments every 14 days.

Home childcare closing

Participant who closes their home childcare must inform SSQ within 30 days of the closing. If the participant does not inform SSQ within this period, their insurance will end on the last day of the pay period coinciding with the receipt of the termination request, which implies that the participant is not eligible for retroactive reimbursement of premiums.

Assistance Program

Coverage under the Assistance Program is limited to a maximum of 9 hours of services in total per calendar year for all insureds of a same family.

Important Notice
