PRENDRE LE TEMPS

Have you seen a hazardous situation at work?

Have you been injured on the job?

You MUST report it!

FSSS CSN

- **Contact** your union now.
- **Notify your supervisor** as soon as possible.
- **Fill in the report form**, indicating the location of the accident, the cause, the connection with your work and the affected body parts.
- **Make an appointment with the doctor** of your choice.
- **Give your employer the medical certificate** completed by your doctor.
- **Send the CNESST** the worker's claim form.
- **Keep your receipts** for reimbursement of the cost of treatment .
